Dear Haudenosaunee Six Nations Confederacy Council and
Six Nations Chief and Council;

Re: Letter to federal government respecting a request for no military support

There exists a protocol between the provincial and federal governments under which I could ask the federal government to provide military support to a police force in Ontario.

I wish to advise you that I have sent a letter to my federal counterpart where I have specifically stated that I am not asking for military support from the federal government in relation to outstanding matters concerning the Douglas Creek lands in Caledonia. I trust that this letter may assist in the local resolution of outstanding issues.

Sincerely,

A handwritten signature in dark ink, appearing to read "Monte Kwinter".
