A. Your message for policy makers

If you could be in Calgary yourself, what one thing would you want researchers to know about your experiences as a resident and/or business owner in Caledonia? (Please use the back if you need more room)

THE POLICE + FIREMEN HIDING BEHIND MY FENCE WHILE A GROUP OF NATIVES (TERRORISTS)!! WERE LIGHTING A FIRE BEHIND MY HOUSE. THEY SAID TO MY NEIGHBOUR AND MYSELF WE CANNOT PROTECT YOU OR TOUCH THEM. THEY PROMISED TO STAY IN FRONT OF MY HOUSE ONLY TO WAKE UP AND DISCOVER ALL COPS WERE GONE. COPS ACTUALLY KNOCKING ON OUR DOORS SAYING THEY CANNOT PROTECT US TO LEAVE OUR HOMES. WE WERE AND ARE STILL TREATED AS SHIT BY THE POLICE.

MY TRUST IN OUR SYSTEM IS GONE "FOREVER" POLICING IS CORRUPT, COURTS ARE TO, CROWN IS CORRUPT ALL POLITICIANS ARE CORRUPT ALL COUNCIL IN OUR TOWN IS CORRUPT. THE CRIMINAL ELEMENT IS TAKING OVER.

IMPORTANT: We want your name, address and phone # to verify that you are a resident of Haldimand County in order to maintain the integrity of the feedback. Your comment may be published by either CANACE or the Caledonia Victims Project, but your name and contact information will NOT be published unless you give permission.

B. Help ensure that Caledonia's victims are never forgotten

Your participation in recording Caledonia's history is needed in order to prepare for the eventual public inquiry, and for the investigative journalists, and academic researchers who will want to know what happened here. Would you be willing to prepare a written victim impact statement for use by the Caledonia Victims Project?

YES, PLEASE CONTACT ME

Both business and non-business participation is requested. If you are willing to participate in this project, you will be contacted by Mark Vandermaas, 371 Vesta Place, London ON N5Y 1G4 519.457.0709, info@caledoniavictimsproject.ca.
