Re: Government targeting McHale's Group

Dear Mr. Premier:

On Thursday Feb. 24, 2011 the OPP in Haldimand County made me aware that the Ontario Government has informed the OPP that we are not permitted on Douglas Creek Estates (DCE) in Caledonia. So far it appears we are the only persons barred from DCE. It also seems apparent that your government chose to inform the OPP in order to encourage them to target us for arrest.

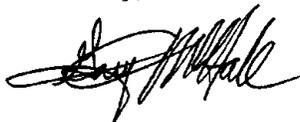

There can be little doubt that if our public statements supported your racist policies in Caledonia that such a ban would not have been issued. Furthermore, your government cannot be concerned about any alleged possibility of violence since you have repeatedly supported the continued occupation of DCE by those who have committed hundreds of criminal acts. Your government has failed to bar any of these people from continued acts of criminal behaviour.

Therefore, we have been barred from DCE because of our political view and our race. If we were native or shared your view of your racist policing policies, which have caused injury to both police officers and residents of Caledonia, then we would be allowed on DCE.

The wilful targeting of us because of our political views and our race is a violation of the Charter of Rights and Freedoms. Please be advised that I will commence an action against Her Majesty the Queen in right of Ontario with respect to violation of the Rights and Freedoms under s. 2 and s. 15.

The intention of this letter is to give notice under s. 7 of the *Proceedings Against the Crown Act* of my action against the Crown. If you need any further particulars of this claim in order to carry out your investigation please advise.

Yours truly,

Gary McHale
